

IHEA INSTRUCTIONAL DVD PROGRAM

We are pleased to offer Hunter Education Instructors a special program where they can purchase our instructional Game Processing DVD's for use in HE classes for \$3.00 each (\$19.95 Retail) and the 5-DVD Library for \$12.00 each (\$69.95 Retail). DVD's are to be used for HE classes only and can not be offered for resale. Minimum order is 25 individual DVD's or 10 DVD Library's. Shipping is included.

INSTRUCTIONAL PROCESSING DVD'S BY EXPERT BRAD LOCKWOOD

Award winning processor and the past president of the Pennsylvania Meat Processors Association, Brad Lockwood, shares his 22 years of knowledge. Each DVD demonstrates advanced processing techniques from multiple angles with extreme close-ups.

NEW!

NEW! Mastering Marination: Volume 5

The three most common criticisms of wild game are dryness, meat toughness and strong or gamey tasting flavors. Learn to completely eliminate these problems through proper marination. Prepare more flavorful, tender, moist and delicious wild game meats and fish that your friends and family will love.

Deer and Big Game Processing: Volume 1

The most in-depth step by step processing video available. Covers field dressing trophy and non-trophy game, caping, aging, quartering and de-boning. How to identify primary muscles and the table cuts available from each muscle group. Discusses grinding, packaging plus a bonus feature with current CWD information. Three hours run time.

Quarter and Debone Big Game In the Field: Volume 2

Essential information for hunters that harvest game in remote locations. Learn step-by-step techniques for completely de-boning big game in the field, from field dressing to game bagging. This video will ensure that you make the most of that precious meat and minimize carry weight on your next successful big game hunt. Additional bonus feature with current CWD information. 110 minutes run time.

Advanced Wild Game Processing: Volume 3 Sausage

Learn to manufacture a variety of fresh and smoke sausage in your smoker or oven. Covers grinding, seasonings, preservatives, fat to lean ratios, natural and liquid smoke application, humidity and surface moisture. Two hours run time.

Advanced Wild Game Processing: Volume 4 Jerky

Learn step-by-step to produce smoked jerky, nuggets, re-structured, formed and whole muscle jerky. How to de-bone and trim the best cuts for whole muscle jerky. Two hours run time.

Advanced Wild Game Processing Library

Contains Advanced Wild Game Processing Volumes 1-4 plus bonus DVD "Hunting the Outdoors".
