## FROM YOUR SOUTHWEST DIRECTOR STEVE GRANGER

Hello ODFW Instructors,

It's Steve Granger, your OHEIA (Oregon Hunter Education Instructors Association) Southwest Director out of Roseburg, Oregon. I'm responsible for Coos, Curry, Douglas, Jackson, Josephine, and Lane counties.

I hope everyone has had a great and productive summer. It's that time of year when HE classes are winding down in some areas and hunting seasons are starting. We have been very busy here in Roseburg with HE classes. Please remember that some HE classes will still run into the winter months. Our Roseburg location has an indoor area that we use even if it's raining hard outside. If you're an instructor and still want to help out over the off months, check online and see what HE locations are still running classes. I'm always looking for additional help and willing to train the new instructors.

As the Southwest Director please let me know if I can do anything to help assist you. If you are in need of regular class equipment or special class equipment that is not provided, let me know so we can talk about it. I will try and help you get the needed equipment. We should try and provide the best classes we can as instructors and have the equipment needed.

For our Roseburg classes, I added handing out a piece of candy during the classroom station for students that answer a question. This is an easy way to get the students to engage in answering questions. Thanks to Allen Fanno (AC, Coos) for giving us this tip. Our classes need to be fun for the students and the instructors. Don't forget about your instructors!!!

If you have ideas that you have added to your classes that work, I would love to hear about them. Send me an email or give me a call.

Don't forget, if you need help with classes, get the word out. Let us know and let your Area Coordinator know that you need help. Your Area Coordinator can put the word out in their county. Some instructors have no problem going outside their county. You just need to get the word out. We all need to work together and have good communication.

Keep up the great work!

Steve Granger

If you sent a response that you feel passionate about, feel free to email me since I probably wasn't able to see your response. If you are aware of a good survey app that is free and doesn't limit the number of viewable responses, please let me know.

Ok on to other topics. Yes PLEASE buy raffle tickets. Please sell tickets to anyone you know. Since they can purchase online, simply guide them to [oheia.org](http://oheia.org)
