OREGON HUNTER EDUCATION INSTRUCTOR'S ASSOCIATION

OHEIA is a non-profit organization founded to help provide training, communication and support for Oregon's Hunter Education Instructors. We participate with the ODFW to help sponsor the alternating annual statewide conference and the mini conference the next year.

Our mission is to assist hunter education instructors in obtaining relevant teaching aids to enhance safe, ethical and responsible firearms handling and hunting practices.

To further your support of hunter education in Oregon, consider joining or renewing your membership in the OHEIA. Help us promote and support hunter education in Oregon. Below is the current list of board members. Contact one of them if you have a question. Use the OHEIA to share ideas that will promote Hunter Education in Oregon. Thank you for making a difference.

Our fiscal year runs from May 1 through April 30 of each year. Membership dues are due in May. By either renewing or joining at this time, your membership will strengthen the support our organization can give to Oregon Hunter Education.
